

At AVIS, you have the freedom to choose a car that suits your specific needs - in a completely safe way. With a rental car, your transportation needs can always be covered when you need it.

- We are always ready to meet your rental car needs and we want to assure you, that all our employees are working hard to guarantee the greatest possible safety at our facilities and in our vehicles.
- All vehicles are thoroughly cleaned before each rental.
- Special cleaning of: steering wheel, turn signal handle, dashboard, handles, radio and entertainment equipment buttons, cup holders, center consoles and all door handles, both inside and out.
- We use counter screens to take the best care of our customers.
- Digital leases are available at all rental stations, so you can feel safe and secure.
- Hand disinfection is of course available at all rental stations.
